

NOT TO SCALE

Do NOT cut switchbacks anywhere on the course.

Be careful not to get on the wheelchair trail to Grotto Falls. Be aware of right forks to waterfalls. After 5 miles, avoid well-marked right turn to Squaw Creek divide. Take hard right turn 1/4 mile later on flat. 2 miles to Hyalite Peak. Must bag peak and get a chip.

Start at Hyalite Creek Trailhead

NOT TO SCALE

Directions to turn-around by car are found in the DB50 info file.

Trail marked with carins only. Be watchful for right at Crater Lake. After that, if in doubt, go straight ahead on the ridge. Periodic snow all along the course.
