			05/06: FINAL

Final Exam: Friday, May 6, 10–11:50am, 312 Roberts Hall

No calculators, books and notes are allowed for the tests and the final exam, except for a letter-sized “cheat sheet”.

Grade: 100 points for the best 10 quizzes (10 points each, one will be dropped), 100 points for each of the three tests, and 200 points for the final exam, making for a possible total of 600 points. If a test is missed, the final counts 300 points.

The letter grades are determined from the points as follows: **A** 558–600 pts, **A-** 540–557 pts, **B+** 522–539 pts, **B** 498–538 pts, **B-** 480–497 pts, etc.
